Discovery Time

By Breanna Hinkley

The Beachcombers sat at a table during Discovery Time with bottles filled with vinegar, oil and blue dyed water. When they turned the bottles sideways and rocked it back and forth, it created a wave type motion.

Then Lisa asked the Beachcombers, "Can you think of a time when the waves in your life were calm and rough?"

Emily H. responded: "When school was out for the summer, and when I'm sick."

Cameron said: "When I'm at the lake, and when I'm at school."

The other activity they did was where they had a bowl of water, a cup, and a paper towel. They put the towel in the cup, and put the cup upside-down in the water, but the towel never got wet!

So the lesson was that God will protect you in every situation no matter how rough.

Snack Time

By Tarrah Crooks

The snack today was Goldfish crackers and pink lemonade. I interviewed the Sun Seekers after Anthony said the blessing....

Q: Nathan, how is your snack?

A: Delicious.

Q: Nathan, do you like the original goldfish better than the colored ones?

A: Original is better than multi-colored.

Q: Sarah, do you like the snack?

A: Maybe.

Q: Sarah, do you have a preference of pink lemonade over original?

A: I like both.

Story Time!

By Tarrah Crooks

At the beginning of story time, Pastor Ron brought the kids in to wear headdresses so they could be part of the story too. The story takes place in the Old Testament about Gideon. Pastor Ron said, "The same way God called Gideon, he calls you!" In the beginning of the story, Gideon is talking to God and God tells him he needs to defeat the enemy. Gideon does not believe God, and puts him through two tests, just to make sure. Both tests are passed. Gideon agrees to do it and puts together an army of 300,000, but God says to lessen it with two tests. The first test is that all who are afraid should go home, and the second one was all who drank from the river with their hands cupped would go too. After that the troops (kids) used whistles and maracas to scare away the enemy. They work, and the enemy runs away. At the end, there was a bible verse:

Surfin' Scripture

Obey my voice, and I will be your God, and you shall be my people.
- Jeremiah 7:23

The word of the day is:

Be Obedient!

The color of the day is:

ORANGE!

Tomorrow's color will be **RED!**

It's Game Time!

By Breanna Hinkley

The Wave Runners were having the greatest time at the game station. On one team were Mitchell and Mayn, and on the other team were Vivian and Josh. It was a fun and exciting race between the two teams. One player from each team had to put on one flipper, a hat, sunglasses, a towel, and an inner-tube. Then they had to hop on one foot to the other side and back.

First up were Mitchell and Josh. Up next were Mayn and Vivian. With both teams tied, Vivian and Mayn were side-by-side coming to the finish line. But by a few seconds, Mayn's team won. But in the end, it didn't matter which team won because the Wave Runners had the greatest time playing each other.

Radical Music

By Breanna Hinkley

The Big Kahunas had a blast learning the songs "Beach Party" and "Beach Be-attitude" with Max and Wes. Ahh... music to my ears.

Tomorrow we will sing these songs again and learn a new song!

Crafts!

We made Lanyards for sunglasses.

Q: Ross, is this fun?

A: Yes!

Q: Nicole, do you like this activity?

A: Yes!

See you tomorrow at VBS! 6:00PM! **Wear RED!**
