Music Time

By Breanna Hinckley

The Son Seekers learned a new song called "Made To Worship". I really like the song because it tells us that God has a special place for everyone on this earth. Max and Wes are the best music teachers ever!

Otter Pops!

By Tarrah Crooks

Otter Pops were the snacks today! Pink, red, blue, purple and green Otter Pops are delicious!

Science Experiments

By Tarrah Crooks

We put some milk on a plate and added a few drops of different colors of food coloring. Then we dipped a Q-tip in some dish detergent and touched it to the food coloring. The food coloring moved away from the Q-tip, and we made really cool tie-dye patterns in the milk.

We also dropped at least 3 Mentos into a liter bottle of Diet Coke and watched it explode.

Story Time!

By Breanna Hinckley

The **Son Seekers** stopped by to hear a story told by Joan, Pastor Ron, Lori and David. It's about a woman who had been sick for 12 years, and she heard about Jesus' healing power and went to him. But there were a lot of people around him, so she got as close as she could and barely touched his clothing. When she did, the power in Jesus went to her and healed her. Then Jesus turned and said, "Who touched me?" The woman came to him and said "I did" and she told him why. So Jesus said to the woman, "You have been bold. Go and live in the name of God."

Surfin' Scripture

And this is the boldness we have in him, that if we ask anything according to his will, he hears us.

- 1 John 5:14

The word of the day is:

The color of the day is: **GREEN**

Tomorrow's color will be your choice! Wear your favorite color!
