Music Time

By Breanna Hinkley

The *Beach Combers* are having a great time learning the song "I Will Believe." As I was listening to them sing, they told me that Jesus' love will never end. So, we should believe wherever we go! They also sang a song called "In The Son." What a great group!

SNACKS!

By Breanna Hinkley

The Wave Runners stopped by the snack station for some delicious punch and ocean jello. They seem to be enjoying this tasty treat that Mina had prepared. Olivia, Mayh, and Vivian say that they like the jello. "Tastes like blueberries!", said Olivia. Who knew that V.B.S. could taste so good!

Science Experiment

By Tarrah Crooks

#1 - The hot cup of water has red food coloring in it; the cold cup of water has blue food coloring in it. The red in the hot water spreads, just like God's love spreads with his warmth. The cup of blue cold water does not spread, signifying a cold heart.

#2 – There are two cups; one has water in it, one has soda in it. When a button is dropped in each cup, the button in the water does nothing, is boring, sinks to the bottom and does not move. The button dropped in the soda rises, just as we need to rise above the people who are doing bad things.

Story Time!

By Tarrah Crooks

David's Story

God chose David to be King instead of the heir, Jonathan. Jonathan and David are best friends. David promises to Jonathan that after Jonathan dies, David will take care of all of Jonathan's family members. David forgot this promise for awhile and when he remembered, he summoned Jonathan's only son and let him sleep in his castle and dine at his table.

After the story performance, two questions were asked:

1. Have you ever been shown kindness?
2. Have you been kind to someone?

Surfin' Scripture

As God's chosen ones, holy and beloved, clothe yourselves with compassion, kindness, humility, meekness, and patience.

- Colossians 3:12

The word of the day is:

Be Kind!

The color of the day is:

RED!

Tomorrow's color will be

BLUE!

GAMES!

By Tarrah Crooks

SOCK HOP

First you throw socks to 1st hula-hoop, put socks on. Hop back and give the socks to your teammate to roll back and throw to the 2nd hoop and count. The Big Kahunas did it in 4 minutes and 30 seconds! Then all the kids got a hula-hoop to have a contest. Emily won! Then they hula-ed on arms and Trevor won! Then they threw the hula, in reverse motion, so it would come back to them.

Crafts!

By Breanna Hinkely

Sun Seekers are having a fun time at the craft station with Lisa and Linda! They are all having fun decorating their beach hats with brightly colored foam stickers in fun shapes and sizes so that they can have more fun surfing through the scriptures!

See you tomorrow at VBS! 6:00PM! Wear BLUE!
